Bearcat Traditions

History In Brief
The University of Cincinnati, Ohio’s premier urban research university, traces its origins to 1819. In that year both Cincinnati College and the Medical College of Ohio were chartered. In 1870, the City of Cincinnati established the University of Cincinnati, which later absorbed the two predecessor institutions. In 1906, the University of Cincinnati created the first cooperative education program in the world. For many years, the University of Cincinnati was the second oldest and second largest municipal university in the country. In 1968, UC became a “municipally sponsored, state affiliated” institution, entering a transitional period culminating on July 1, 1977, when UC joined the university system of Ohio. Today, the University of Cincinnati is classified as a Research University (Very High Research Activity) by the Carnegie Commission and is ranked as one of America’s top 25 public research universities by the National Science Foundation.

The Official Seal
(and what it stands for)

Lucy the Bearcat
In April 2008, the University of Cincinnati and the Cincinnati Zoo and Botanical Gardens brought the Bearcat back to Cincinnati. The baby binturong was born January 17, 2008. In a public naming contest held by the Cincinnati Zoo, the young Bearcat was named Lucy.

Lucy attends a handful of UC sporting events throughout the year and can typically be found on Sheakley Lawn prior to Cincinnati home football games.

Mick and Mack
For over 100 years, two lions made of stone have guarded the entrance to UC’s iconic McMicken Hall. Named Mick and Mack, the statues are replicas of the originals in Italy.
FIGHT SONG
Music by Alan T. Waterman; lyrics by Curtis R. Beresford

The Red and Black shall triumph, as we’re struggling down the field!
Oh fight for Cincinnati, McMicken’s foes shall yield;
Remember men, the honor, that hangs upon the game;
Remember you are battling now for old McMicken’s fame!

Fight, Cincinnati, and show the foe who holds the sway;
For the Red and Black, shall drive them back, and win the game today;
Fight Cincinnati: the vict’ry’s ours again,
The bonfire’s light will flare tonight, the Red and Black shall reign!

CHEER (sung at the end of each victory)

Cheer Cincinnati, Cincy will win,
Fight to the finish, never give in.
You do your best boys, we’ll do the rest boys:
On, on to victory. Rah! Rah! Rah!

ALMA MATER (sung at the end of each sporting event)
Music and lyrics by Otto Juettner

O Cincinnati magic name, I proudly to the world proclaim;
No sweeter word e’er charmed my ear, none to my heart was e’er so dear,
A fountain of eternal youth, A tower of strength, a rock of truth:

(Refrain) O Varsity, dear Varsity,
Thy loyal children we will be,
Thy loyal, loyal children we will be!

Of wealth and station some may boast, Of wide renown from coast to coast;
None nobler teachings did instill, Than Old McMicken on the hill;
The black red banner floats on high, Let all join the battle cry.

(Refrain)

Long may she live, her children’s pride, And grow and prosper far and wide.
At all times let our motto be: Stand first and last for old UC.
We dedicate with might and main, to Alma Mater this refrain.

(Refrain)

Getting Around Campus

Over a half-million students, faculty, staff and visitors of the university community take free UC Shuttle rides each year in wheelchair-lift-equipped vehicles.

UC Transportation Services manages two shuttle systems, the BTS and the CTS, which operate as follows:

• Bearcats Transportation System (BTS) - provides six off-campus routes for the FREE and exclusive use of UC students who need only show their valid UC Photo Identification Card for access. It even goes to Newport on the Levee! The BTS operates during Fall and Spring semesters only.

• Campus Transit System (CTS) - funded by UC administration - provides four free campus-to-campus routes for use by all UC students, employees and visitors. Main Campus (Clifton) routes operate year-round; UC Blue Ash and UC Victory Parkway routes operate Fall and Spring Semesters only.

For more information: www.uc.edu/shuttle or call Transportation Services at 513 556-4424.

And don’t forget about NIGHTRIDE! (see page 8)

Parking Services is a self-sustaining operation at the University of Cincinnati. All students, both residential and commuters, are permitted to bring cars and motorcycles to UC lots, garages and designated motorcycle areas. All non-hourly parking requires the display of an appropriate permit or decal. Permits can be purchased online at www.uc.edu/parking or at the Parking Services office at Four Edwards Center. Parking Services enforces the display of a decal 24-hours a day, seven days a week. Students should direct their visitors to the garages for parking.

Daily Cash Parking is available at all garages where the fees are based upon the length of time parked. Garages are automated, meaning there is no attendant on duty. Pay upon exiting with cash, credit card or Bearcat Card. All pay-as-you-go parking is subject to availability.

Decal Parking represents the greatest portion of parking on campus and exists in garage facilities. Garage decals are initially made available for upcoming semesters through the priority process — that is the same time period as early registration for continuing students. Participation in the process allows for through-the-mail purchases or website purchases for upcoming semesters. Garage decals can be purchased by credit card through the Parking website at www.uc.edu/parking. For in-person purchase, please contact Parking Services at 513-556-2283 or visit Four Edwards Center.

Contact Parking Services for pertinent dates and decal availability or check the Parking Services’ website at www.uc.edu/parking. All decals must be obtained on the campus where you are officially registered. Please be mindful of parking policies. Violators are subject to the issuance of a citation and/or tow.

For Disabled Parking, contact Parking Services at 513-556-2283.

with career coaching, we assist them in using Sigi 3, MyPlan career assessments and Myers Briggs, just to name a few.

The Career Decision Making 3-semester credit hour course is designed to assist undecided or exploratory students, especially freshmen and sophomores, to gain insight into potential future careers through self-assessment. It carefully guides students through the challenging process of connecting college majors and experiences to future career goals. Through classroom lectures, guest speakers, group activities and assignments, students are exposed to career choices that may be a good fit and help them decide on a major.

The Career Development for Arts and Sciences course is open to any major, except engineering who are required to take the Professional Development II course. Both courses are geared toward helping juniors and seniors transition from college to career and include guest speakers. They focus on career planning with more in depth skills assessment, resume/cover letter development, the 2-minute commercial, interviewing techniques, and finding a job using online search strategies.

Fall and Spring semesters during UC Career Week, CDC collaborates with the Colleges of Business and Engineering and ProPEL to bring hundreds of employers to recruit on campus over two days and hold interviews on the third day. In the Fall, we conduct the Part-time Jobs Fair. In the Spring we facilitate both the Education Career Fair and Health & Sciences Fair. In Summer, we coordinate an online Virtual Career Fair.

Need experience? CDC’s Co-curricular Internships will give you experience and flexibility! Find these paid “reality learning” opportunities, in Recruit a ‘Cat at www.recruitacat.com. Enhance the skills you already have and pick up some new ones. Many internships lead to full-time employment later on.

Students pursuing full-time, part-time and summer employment can logon to www.recruitacat.com and upload a resume into Recruit a ‘Cat, our online database of hiring organizations nationwide. CDC offers two interview prep options, employer Mock Interviews and virtual interviews on InterviewStream.

Jobs for UC Grads is a network-to-hire event held one week after graduation, for recent grads who are still actively seeking employment. Recent grads can be interviewed that same day, greatly expediting their job search process.

Questions? Call 556-3471 for help. Visit YOUR CDC to map out a successful career path.

HEALTH SERVICES
University Health Services (UHS) has two diagnostic
and medical treatment facilities (Suite 335, 3rd floor,
Lindner Center and Suite 1007, 1st floor, Holmes
Building) staffed with Board Certified physicians and
nurses. All registered students are eligible for care
at UHS.
UHS has a pharmacy and offers physician and nurse
appointments, laboratory tests, allergy injections,
dermatology appointments, x-rays and certain
gynecological examination appointments. Students
not covered by the UC Student Health Insurance
(SHI) Plan are charged for their facility visits on the
day of service. Students may make payment by cash,
check, credit/Bearcat card or request that charges
be added to their UC student account/tuition bill.
Because UHS is not a contracted provider with any
health insurance plan other than the UC SHI Plan,
students not covered under the UC SHI Plan are
responsible for all bills that are not paid by their
insurance plan.
Medical records are confidential and are released
upon the patient’s consent in compliance with
federal FERPA and HIPAA policies.
UHS in Suite 335 at the Lindner Center is open 8:30
a.m. – 4:30 p.m. on Monday, Tuesday, Thursday and

in Suite 1007 at the Holmes Building is open 8 a.m. –

closed on university scheduled holidays. After hours
or in the case of an emergency, students covered by
the UC SHI Plan must call 513-584-4457 for a referral
to the emergency room.
Student Health Insurance
UC offers an affordable, comprehensive, major
medical health insurance policy to all eligible
students as well as their eligible dependents. Our
insureds enjoy the freedom of choosing in-network
or out-of-network doctors. The policy also features

on co-op, at home or anywhere in the world. Those
covered by the UC Student Health Insurance (SHI)

provider require a referral from UHS in order to obtain the highest level of coverage. ER visits also require a UHS-generated referral for the highest level of service. Please note, those covered by SHI must be 18 or older in order to receive services at the UHS.

SHI in suite 334 at the Lindner Center is open 8:30 a.m. – 4:30 p.m. Monday – Friday except for the first Wednesday of each month when it opens at 9:30 a.m. (excluding university holidays).

UC requires all students who register for 6 or more credit hours, including Co-op students, to be covered by a health insurance policy; thus students are billed automatically for the SHI Plan premium.

Eligible students are billed for the premium in the fall semester and again in the spring semester. Graduate students enrolled in fewer than six credit hours may purchase SHI under the following conditions:

- They must be registered for one (1) or more graduate credit hour(s) each semester of the then current academic year for which they desire to be covered by SHI; the credit hours(s) must be included in their degree requirements.
- They are actively pursuing a degree and matriculated into a field of study.
- They submit a SHI Enrollment Form to the SHI Office no later than fifteenth (15th) day of the semester.

Students covered by a health insurance policy who wish to be excluded from the SHI Plan must submit an online waiver by going to www.onestop.uc.edu and submitting their health insurance information under the link “waive my health insurance” located under the “billing” link no later than the fifteenth (15th) day of the then current semester. On the first day of classes, all policies must: contain no more than a $1500 annual deductible; contain at least a $500,000 annual maximum benefit; not contain a pre-existing condition waiting period—or the waiting period must already have been exhausted; contain immediate (without meeting a deductible) access to prescription benefits; not contain any monetary maximums other than the policy maximum; not contain a per day policy maximum except for physical therapy and mental health; allow at least 20 mental health visits per year; contain only less restrictive limitations (including exclusions) than the UC SHI Plan; be through an insurance company with U.S.-based claims administration and underwriting and be active the entire time for which students are enrolled in classes.

Military veteran students who are eligible to receive medical services at the Veterans Affairs Medical Center and who wish to waive UC SHI with that specific information cannot waive online. Please contact the SHI Office at 513-556-6868 for details on how to waive.

International students who wish to waive the UC Student Health Insurance must also have repatriation and medical evacuation benefits under their policy. It is strongly recommended that international students wishing to waive SHI with other insurance policies bring those policy descriptions to the SHI Office for review prior to purchase. Specific details on insurance policy requirements are available to students from the SHI Office.

NOTE: Every waiver will be audited in order to confirm compliance with the above requirements. Those waivers not in compliance will be declined followed by the re-assessment of the SHI Policy premium to the student’s tuition bill. An email alerting the student to the change in the tuition bill balance will be sent to the student’s UC-supplied email account.

The SHI Office must receive all enrollment documents and all online waiver submittals no later than the fifteenth (15th) day of the then current semester. Please contact the SHI Office with any questions at 513-556-6868.

First-year students whose parents reside inside a 50-mile radius of the Uptown Campus are required to live either with their parents, on campus in a UC residence hall or in university-affiliated housing.

Off-Campus Housing Referral Service Information is available online at http://www.uc.edu/uchousing/graduate_housing.html. IDENTIFICATION CARD / BEARCAT CARD
A university identification card is required to gain access to much at UC. You’ll need it to get into residence halls, some laboratories and practice rooms and some university buildings. You’ll also use it to check out books from the library, enter the Campus Recreation Center and more.

To get your first ID, bring a photo ID (drivers license, state ID, passport) to the ID Badge Office (Four Edwards Center). Call the office at 513-556-4925 for exact times. If your ID card has been lost or stolen, you must go to Public Safety (Four Edwards Center), show some form of proper identification and pay a $20 replacement fee (check, cash and major credit cards are accepted). Misuse of identification cards is against university policy and violators are subject to university disciplinary action. Please note: If you suspend your card at any time, you must go to the MainStreet Connection Center in person to reinstate the use of the debit function of your ID.

The Bearcat Card is a debit feature of the UC ID card. You can use it on-campus and at participating off-campus restaurants, services and stores. Your Bearcat Card is convenient: swipe it to make copies, buy drinks and snacks from campus vending machines, do laundry in the residence halls (10% discount) and purchase textbooks and other items at all UC Bookstores. Swipe it to gain entry to the CRC, to pay for UC medical services and UC parking fees. It is easier than carrying cash; there are no service fees and no minimum balance. You can power up your Bearcat Card by opening a PNC account and linking it to your Bearcat Card account. Use it as your ATM card wherever the star logo is displayed.

Set up and activate your account at http://www.uc.edu/bearcatcard or by making a deposit with cash, check or credit card at the MainStreet Connection Center, TUC Level 3. You may also deposit cash at Value Transfer Stations (VTS) in Langsam Library and the TUC vestibule at the Food Court or make a credit card deposit online using your Blackboard account. Once you log on, just select the Bearcat Card button. You can then manage your account, deposit additional money, view your transactions and view statements. You can also report your card lost or stolen by suspending your card or by notifying the Bearcat Card Office at 513-556-2000 during regular business hours. Call the Bearcat Card Office at 556-2000 for any other questions relating to the Bearcat Card, e-mail bearcatcard@uc.edu or visit the MainStreet Connection Center, Level 3, TUC. Be sure to Like the Bearcat Card on Facebook to keep up to date with Monthly Steals at hangouts around campus when you pay with your Bearcat Card account: facebook.com/UCMainStreet

Campus Recreation provides individuals the opportunity to participate in intramural sports, informal sports, sports clubs and indoor/outdoor recreation activities and programs. Regardless of the activity, all participants must realize that they are assuming risks when they take part in an active recreation program. Each person must be aware of this assumption of risk and recognize that his/her participation is voluntary. Each participant also has a responsibility to use prudent and ordinary care in his/her actions. For the safety of the individual and that of fellow participants, any situation perceived as a potential danger must be called to the attention of a Campus Recreation supervisor. This includes, but is not limited to, the following:

- Unsafe facilities
- Equipment that is broken or in disrepair
- A participant who is not feeling well or who is unduly fatigued
- A participant who is having unusual difficulty performing an activity
Each participant is obligated to follow the rules and regulations for individual safety as set forth by Campus Recreation. This includes dressing appropriately and using protective equipment. Individuals choosing not to use such protective equipment, whether provided or requested, must realize they are doing so at their own peril and that injury might result.

It must be recognized that, even in safe environments, accidents can occur during active, vigorous participation. Campus Recreation makes every effort to keep all facilities and equipment in safe, operating condition. Both supervisors and participants must use good judgment and work together for safe participation.

Should an injury occur in the facility and/or during participation in any Campus Recreation program, a Campus Recreation supervisor will make arrangements for emergency transportation whenever appropriate. The injured party is responsible for all financial obligations arising from the injury, emergency transportation and subsequent treatment. Therefore, the university requires students and strongly encourages all others to have health care insurance. Prior to participation in Campus Recreation programs, all students should discuss with the University Health Service medical staff any known physical problems that may limit their activity.

This statement about participant safety and responsibility is provided for the protection of our participants. Any questions concerning this statement should be directed to the Campus Recreation Associate Director for Facilities/Operations.
